

Education

- 2015–2019 **BA of Computer Science**, *University of Arkansas*, Fayetteville
2015–2019 **BS of Pure Mathematics**, *University of Arkansas*, Fayetteville
2020–2021 **Masters of Pure Mathematics**, *Missouri State University*, Springfield
2022– **Ph.D. in Mathematics**, *University of Arkansas*, Fayetteville
Advisor Paolo Mantero

Master thesis

- title *Dot Product Bounds in Galois Rings*
supervisors Steven Senger
description Considering the Erdős Distance Conjecture in the context of dot products in Galois rings

Workshops

- July 29, 2024 **SLMath**, *Multigraded and differential graded methods in commutative algebra*, St. Mary's College in Moraga, CA
– August 9, 2024
February 10, 2025 **IPAM**, *Computational Interactions between Algebra, Combinatorics, and Discrete Geometry*, UCLA, CA
February 14, 2025
April 14, 2025 **Macaulay2**, *Macaulay2 workshop at Tulane*, The Tulane University of Louisiana, LA
– April 18, 2025
June 2, 2025 **SLMath**, *Séminaire de Mathématiques Supérieures 2025: An Introduction to Recent Trends in Commutative Algebra*, Fields Institute, Toronto, Canada
– June 13, 2025
June 30, 2025 **Macaulay2**, *Macaulay2 Workshop: Madison 2025*, University of Wisconsin – Madison, WI
– July 4, 2025

Jobs

Math Related

- January 2018 – December 2019 **Math Tutor**, *University of Arkansas*, Fayetteville, AR
One on One tutoring for most undergraduate math classes
- August 2020 – December 2021 **Teaching Assistant**, *Missouri State University*, Springfield, MO
Reviewed lecture materials with students, graded, and proctored exams
- July 2021 – December 2021 **Math Tutor**, *Mathnasium*, Springfield, MO
One on One tutoring for K–12 Math
- August 2022 – **Teaching Assistant**, *University of Arkansas*, Fayetteville, AR
Lecture students in early college mathematics
Computer Science Related
- June 2016 – November 2016 **CTO and Co-Founder**, *GoodPlatform*, Fayetteville, AR
Startup aimed to be a platform for political movements to use for management and engagement
Achievements:
- Using MongoDB and NodeJS, created a platform that handled having over 100 concurrent user on server costing less than \$40 per month.
 - Added over 20,000 users in 3 months.
 - Visited by users in more than 150 different countries
 - Was net revenue positive.
- Miscellaneous
- September 2017– **Google Chromebook Specialist**, *Premium Retail Services*, Fayetteville, AR
Represented Google at Best Buy. Sold Google Chromebooks 80% of the time and trained sales associates 20% of the time.
- February 2018
- June 2014 – July 2014 **Cafeteria Assistant (Seasonal)**, Camp Orr (BSA), Jasper, AR
- June 2013 – July 2013 **Camp Counselor (Seasonal)**, *Camp Orr (BSA)*, Jasper, AR
Taught First Aid, Knife Safety, and Bird Study to early teenagers.
