

Education

- 2015–2019 **BA of Computer Science**, *University of Arkansas*, Fayetteville, AR
2015–2019 **BS of Pure Mathematics**, *University of Arkansas*, Fayetteville, AR
2020–2021 **Masters of Pure Mathematics**, *Missouri State University*, Springfield, MO
2022– **Ph.D. in Mathematics**, *University of Arkansas*, Fayetteville, AR
Advisor Paolo Mantero

Master thesis

- title *Dot Product Bounds in Galois Rings*
supervisors Steven Senger
description Considering the Erdős Distance Conjecture in the context of dot products in Galois rings

Publications

- title *On the number of dot product chains in finite fields and rings*
supervisors Steven Senger
arxiv <https://arxiv.org/abs/2101.03277>

Jobs

Math Related

- January 2018 **Math Tutor**, *University of Arkansas*, Fayetteville, AR
– December 2019 One on One tutoring for most undergraduate math classes
August 2020 – **Teaching Assistant**, *Missouri State University*, Springfield, MO
December 2021 Reviewed lecture materials with students, graded, and proctored exams
July 2021 – **Math Tutor**, *Mathnasium*, Springfield, MO
December 2021 One on One tutoring for K–12
August 2022 – **Teaching Assistant**, *University of Arkansas*, Fayetteville, AR
Lecturer/assistant for various early college mathematics courses

Computer Science Related

June 2016 – **CTO and Co-Founder**, *GoodPlatform*, Fayetteville, AR

November 2016 Startup aimed to be a platform for political movements to use for management and engagement

Achievements:

- Using MongoDB and NodeJS, created a platform that handled having over 100 concurrent user on server costing less than \$40 per month.
